Re: Breakfast & Lunch Option

Date: 9-25-2020

As mentioned previously the USDA has extended their summer program plan/offer to school districts for anyone 18 and under to receive breakfast & lunch, Monday – Friday (not during holidays or vacations) until Dec 31st 2020. All SU 76 School Boards have approved taking on this program along with any associated costs. We are now at a point within each of our districts’ opening plans to support young people, 18 and under who are at home and do not go to our schools with breakfasts and lunches starting next week.

Later today each district’s families who are either doing Remote Learning or who are doing Homeschooling within SU 76 will get an email with the online site to go to in order to sign up. Please share it with anyone you may know who would come under these two groups. Thanks! **Anyone wishing to start next week needs to complete the form by this Monday at 9:00 am.**

Our plan will be as follows:

1. Each family who wishes to participate will need to fill out the form online.
2. This will be a onetime sign-up for weekly breakfast & lunch delivery until the program ends at the end of December or if a family decides they no longer want to participate.
3. Meals/food will be available for pick-up once a week at a time determined by each school.
4. By signing up each family agrees to accept meals each week (5 breakfasts & 5 lunches (non-holiday or vacation weeks), there will not be a choice of which days or meals.
5. In some specific situations, an opportunity for delivery may be available.
6. If you have any questions, please feel free to contact your school office, or contact Amy Billings at 348-9100 or abillings@su76.org

****Families wishing to start this coming week need to complete the form by this coming Monday at 9:00 am. THANK YOU!****
